Zilmet ActivFlo Water Conditioner

Testimonials

July 19, 2021

Read about these experiences with the Activflo. These are comments from homeowners all within two weeks after installing an Activflo.

“Clothes used to smell and laundry did not lather; not a problem any longer.”

“White staining on dishes is completely gone.”

“My wife has done away with her psoriasis medication.”

“Coffee tastes better too.”

“My wife notices better soaping and softer hair.”

“My glassware has turned to crystal.”

“No more lugging salt downstairs.”

“It makes a difference in that there is no spotting.” – regarding vehicle washing

“Replaced softener and sent it back to service the company.”

“Skin no longer dry and itchy.”

“Significant reduction of calcium buildup on my tile shower walls and kitchen granite tops.”
