Zilmet ZEP1 UPC Certification

January 14, 2020

The Zilmet ZEP1 Stainless Steel Expansion Tank has been tested and is now recognized to be in compliance with

- **IAPMO/ANSI Z1088-2019e1 Standards**
- **Uniform Plumbing Code (UPC)**
- **National Plumbing Code of Canada**

The Zilmet ZEP1 is the only Thermal Expansion Tank specifically designed for tankless water heaters that carries the UPC certification.
